FROM LIVINGSTONE

From the (only) traffic light in Livingstone town, travel west on **Nakatindi Road** towards Kazungula; from there, the distance to the lodge turn off is about 20 km. **About 9 km from town**, pass through the first National Park check-point. Travel around 10 km through the park.

- **Speed Limit:** within the Livingstone city limits; **40 kmph**
- **Speed Limit:** within the Mosi-oa-Tunya Park boundaries; **65 kmph**

Exit the park at the western check-point.

- **Note:** Please take extra care through the park after dark as there are animals such as elephant and Zambia's precious white rhino around – difficult to see at night until you are almost on top of them!

After exiting the second park gate, it's about 1.5 km to the dirt-road turn-off signposted for **The River Club and Tongabezi Lodge**.

Turn left onto the dirt road.

- **Note:** if you reach the railway line crossing the main tar road, you have **gone a little too far** – turn back.

Once on the dirt, there is an immediate **sharp S bend** curving right and then left, then a short straight section. After that, cross the railway line running across the dirt road. After the railway line, the road is straight for about 1km then enters another **series of S bends**.

Pass the service gate to Tongabezi Lodge / Tujatane School. A few hundred metres after that you will see a River Club sign forking left. If you miss it, you will soon reach the Tongabezi main lodge gate (dead end). Turn back!

FROM KAZUNGULA

After exiting the border post on the Zambian side, travel the short distance to the main tar road. **Turn right** (east) to Livingstone.

Travel **about 42 km** (total distance to Livingstone is about 62 km from Kazungula).

Watch out for the **railway line crossing the main tar road** (If you reach the check-point at the start of the National Park, you have gone about 1.5 km too far).

Shortly **after the railway line**, take the **first dirt road** to the **right**, signposted for **The River Club and Tongabezi Lodge**.
