

KIDS @ THE CLUB

AN ADVENTURE FOR GUESTS 6YRS AND OLDER

The River Club is an ideal destination for families with children aged 6 years and older. Set on a 50-acre secure property with sprawling gardens, the lodge provides the perfect setting for young ones to run around and explore.

Young guests have a "Kids @ the Club" adventure bag available to them, including a booklet featuring activities to complete and an insect catch and release kit. Under the supervision of parents, children have the opportunity to build their own raft with a raft building kit (featuring eco materials such as driftwood, rope and fabric for a sail).

Some activities have minimum ages or require a parent/guardian to be present. Please speak to our team to enquire about more information.
