

THE RIVER CLUB - ON-SITE AND IN-HOUSE ACTIVITIES

The River Club is located in 50-acres of expansive grounds with fabulous views over the Zambezi River. The main lodge area is set in well-tended gardens beneath a forest of riverine trees where birds and other small animals live in harmony with each other and with us. The rest of the property is untended indigenous woodland through which the Nature / Walking Trail runs.

DO NOTHING AT ALL just relax in a hammock by the main pool or on your balcony ... OR DO A LOT!
